

KST/Maju Management do not allow consumption of drugs and alcohol that are detrimental to health and safety of its employees and hinder the satisfactory performance of its service to its clients. KST/Maju have thus introduced several measures aimed at preventing Drug and Alcohol abuse in working environment. The Drug & Alcohol policy is the first of such measures

NO ALCOHOL AND OR DRUG (Other than medication)

Shall be consumed and possessed by any personnel onboard any ships or marine craft.

Infringement of the KST/Maju Drug and Alcohol Policy and or related guidelines will lead to disciplinary action including “Immediate Termination” up to the discretion of the General Manager.
